

Westlake Week

“Taking students higher”

1/31/2022

Hi Dear Parents and student,

Science Day

We are going to have a Science Day celebration on Monday, February 21st. The primary objective of celebrating this day is to spread the importance of science and its application in our world. Some of the science presentations can include:

a science experiment, a chemical reaction demonstration, a 3D Model presentation, etc. More details about this assignment will be provided on the newsletter next week.

Field Trips and Important Dates
